

Creating a Pay Stub

Your task is to create a pay stub that possesses all of the components of a real pay stub. Be sure to include the following on your pay stub.

1. Business/Employer Name
2. Employee Name
3. Pay Period
4. Employee Number
5. Net Pay
6. Earnings Column with the following
 - a. Regular hours
 - b. Overtime hours
 - c. Current Amounts for both of the above
 - d. Total amount
 - e. Year-to-Date amounts for all three above
7. Deductions Column with the following
 - a. Federal tax (calculate 20%)
 - b. State tax (calculate 5%)
 - c. Social Security (FICA) (calculate 1%)
 - d. Year-to-Date amounts for all three above

See the pay stub example below.

O'Connor Enterprises Inc.
