

ASA DataFest™

2025 Lewis University

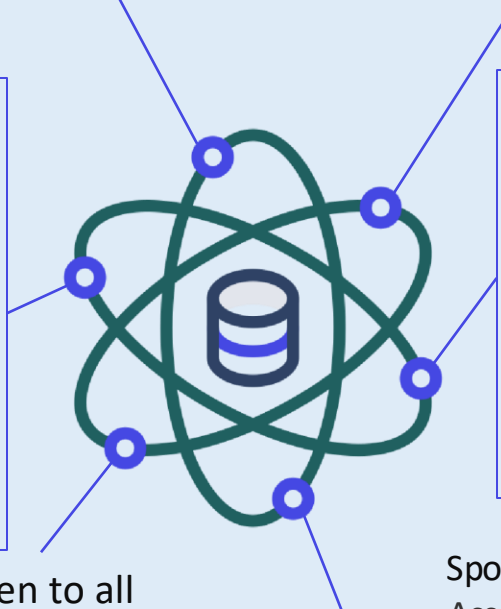

Hybrid-Mode 48-Hour Competition for Discovering from Real-World Data!

April 3-5, 2025

Hosted by Lewis University

Why Participate?

- Analyzing a real-world data problem
- A team of your peers
- Hands-on experience with data tools
- Enhance your resume and presentation skills
- Compete for exciting prizes and recognition

How it runs?

- Each team consists of 2-5 members
- Students work on the problem remotely
- In-person meeting on April 5 for presentations, dinner, and announcement of winners!

Open to all
undergraduate students

Sponsored by ASA and
Associated Colleges of
the Chicago Area (ACCA)

Join us for American Statistical Association (ASA) DataFest, a thrilling 48-hour data competition where undergraduate students work in teams to analyze a rich and complex dataset. Compete to uncover valuable insights, showcase your skills, and share your findings with a panel of judges!

Register by visiting <https://cs.lewisu.edu/datafest25> or scanning the QR code above.
Deadline: March 10, 2025.
